

CCC Family,

The elders have decided to move our Sunday morning services online until further notice. Please plan to join us every Sunday morning at 10:30am for our full worship service on our website (www.cccolumbus.org), on our Facebook page (Community Church of Columbus Indiana), or on YouTube. We would like to encourage small groups to continue meeting, but only at their discretion. Please stay connected to our website, emails, and social media posts for further information and announcements. We hope to announce very soon some exciting new online content for all ages as well as opportunities that you and your family or small group can join together in ministry within this fellowship and to this community! As a reminder, online giving is available (<https://pushpay.com/g/ccolumbus>) or you can drop off tithes and offerings in the offering boxes in the church foyer during the hours of 8am-5pm Monday – Thursday and 8am-noon on Fridays.

To God be the glory!

**In His Service,
Mike Mantooh
Lead Pastor**
